

If anyone in the

household turned 65 in

2014, HH can't be

In some cases, we may not have enough information to redetermine eligibility for APTC/CSR

calculate new nough APTC / CSR amounts using 2014 FPL and ity for /CSR lowest-cost silver plan

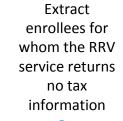

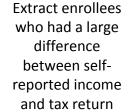

These households can not be auto-enrolled because we do not have enough information to determine eligibility for APTC/CSR. C4HCO will send a special notice indicating that they need to contact us to redetermine their eligibility for APTC/CSR and enroll in a plan for 2015 (Mid-October).

Step 3: Determine FA Households Requiring Special Outreach Occurs Asynchronously – Results Available from RRV According to Load ETA Late October to Late-November

Households thr
enrolled in plan(s) Rede
with Financial Rede
Assistance and eligible for auto
renewal (Lat

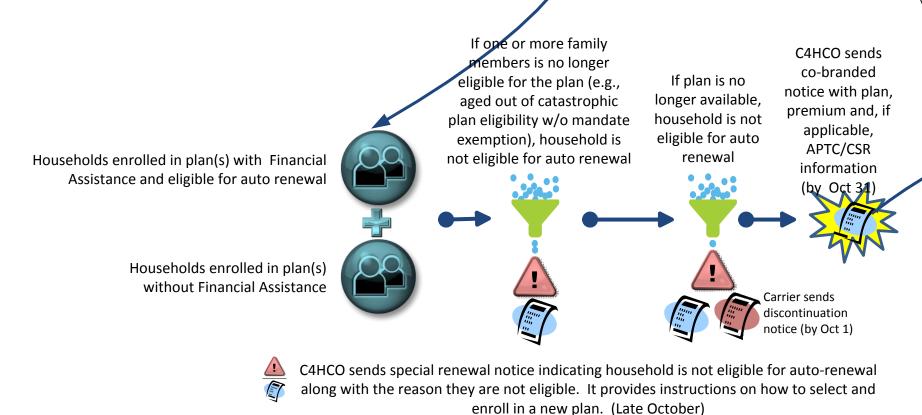

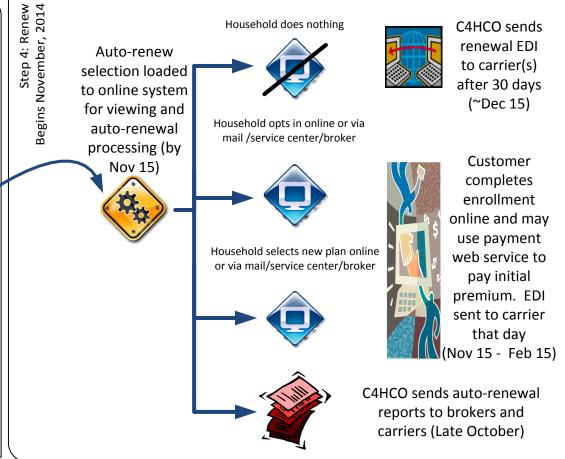

Extract enrollees who are in Medicaid/CHP+ range or above 500% FPL

C4HCO performs special outreach to these enrollees to determine if they are eligible for financial assistance and identifies them as ineligible for auto-renewal in the system. If we are unable to reach them, we will enroll them in full-price plans. If we are able to contact them, we will work with the applicant to determine their accurate eligibility and assist them in enrolling in a plan (Late October to early January).

Step 2: Auto Renew Households Includes Both Non-FA and FA Households Not Excluded in Step 1 Above Occurs Immediately Following Step 1 in Mid-October
