

Target for Plan Year 2017 = 138,000 Effectuations. Targets based on approved fiscal year 2017 budget.

The Average Group Size = 7. Starting in April 2017, we updated the graph to show the # of Groups who are active by month, and excluded Groups who have formally terminated their contract. This is the reason there is a drop in # of Groups across all months as compared to the graph included in the March 2017 Marketplace Dashboard.

There is a drop in service level before the Open Enrollment 12/15/2016 deadline due to higher call volume.
