

CHP+ UPDATE

General Update for CHP+

- Update expected from HCPF the week of January 22nd on the possible end date for CHP+ benefits in Colorado
- Weekly calls with HCPF, C4HCO, and various MCOs focusing on consistent member engagement
- Weekly calls with the carriers to ensure they are informed of updates and can ask questions. Conversations with the carriers include:
 - SEP verifications for households faced with losing CHP+
 - SEP rules for other household members (i.e. all household members can shop for a plan, not just the individual who may lose CHP+)
