

FISCAL NOTE PROCESS

Brian Braun

Fiscal Note Overview

- Fiscal note requests are sent to C4HCO by the Colorado Legislative Council when they believe there may be an impact.
- Fiscal notes for C4HCO are generally formalities and estimates since we don't use state dollars for these costs.
- Less focus is placed on C4HCO costs by legislators due to the source of funding.
- Time period is short for responding to fiscal note requests.
- Cost estimates are based on best information/solution we have at the time through discussions internally and with vendors.
- Any cost estimates received from vendors for fiscal note purposes are not binding nor treated as a procurement.
