

Average Target for Plan Year 2017 = 142,500 Effectuations. Target based on approved fiscal year budget.

The Average Group Size = 7. We excluded Groups who have formally terminated their contract. The decrease in Groups in 2018 reflects the change to one Small Business Carrier. 2018 Groups are being transitioned to the single Carrier and numbers will be revised over the next two months.

To support Open Enrollment, the Service Center hired and trained more Reps. This contributed to meeting the overall monthly Service Level during Open Enrollment.
