Updates to the Atlas View Screen

Customers now have the ability to view additional information about their ticket submissions with the updates that have been made to the Customer Atlas view.

Categories that the member can now view are:

- Customer Name
- Ticket Number
- Status – this will also show verbiage explaining the status
- Category – this will also show verbiage explaining the status
- Sub Category – this will also show verbiage explaining the status
- Date Opened
- Dates Closed
- Date Modified
- Ticket Progress – this will also show verbiage explaining the status.

**Ticket Progress is determined by the Ticket Owner*

- Origin

Accessing your information

To access the information, the customer would log into their C4 account.

In the Overview screen, under 'Am I in the right place?', they will see a bullet with the question:

Did you recently submit a ticket with a Customer Service Representative?

Example:

Am I in the right place?

- Did you recently submit a ticket with a Customer Service Representative? [Check the status and other details here.](#)
- Would you like free, in-person assistance in completing your application? Click [Here](#) to find help in your area.
- Did your employer send you? Click on the [My Employer](#) tab on the left to get started.
- Do you need to enroll ONLY in Dental coverage? Click [Here](#) to start shopping. You can apply for coverage at anytime throughout the year.
- Would you like to enroll ONLY in a vision plan? Click [here](#) to start shopping. You can apply for coverage at anytime throughout the year.
