

Policy Roadmap – Update 8/12/19

Detailed discussion of first 5 policy items at Policy Committee 7/22/19

- Preserve automatic re-enrollment in state law
- Process hardship exemption applications through Connect for Health Colorado to improve access to Catastrophic plans
- Codify a QHP issuer certification requirement to offer plans at the Bronze level
- Create multiagency health care navigation, benefit literacy, and integrated support services
- Construct an “easy eligibility” path to automatically determine eligibility for the uninsured

Discussed policy roadmap at Board Advisory Group 7/24/19

- Discussion and feedback available in meeting notes

Additional updates:

- C4HCO HB-1004 Discussion document reviewed at July Policy Committee and Board Advisory Group
- Active purchaser and standardized plans added to list of items for further exploration in policy roadmap
