

Board Action Items

Action Item	Responsible Party	Date Assigned	Update/Reponses	Notes
Policy Committee to explore any policy changes that could help improve the churn rate.	Policy Committee	12/09/19	Expecting additional information from HCPF by June	
HCPF Executive Director to ask the Colorado Physician Health Program (CPHP) to give a presentation on COVID-19 testing levels and the accuracy of tests, if requested by the Board.	Board/HCPF	05/11/20		
HCPF to continue to provide updates of potential surges and disenrollment forecasts for Medicaid to the Board.	HCPF	05/11/20	Kim Bimestefer to provide monthly updates.	
Staff to research the number of people who came through the Marketplace ended up being Medicaid eligible, and if the hand off to HCPF was expeditious.	Marketing/AN	05/11/20	Staff continue to research this question and will report out soon.	
Staff to provide the number of people that make up the 2% drop in subsidy eligible enrollments.	Finance/BI	06/08/20	2% drop reflects an 8,300 decrease in subsidized enrollments generated from the open enrollment period. When taking into account special enrollments post OE, including COVID-19, the total decrease between comparable plan year periods was 2,600.	
Staff to provide a breakout of enrollment numbers: open enrollment vs. COVID-19 special enrollment period.	Finance/BI	06/08/20	Enrollments from open enrollment for plan year 2020 totaled 166,850 with 123,138 being subsidized (74%). Additional enrollments from COVID-19 totaled 14,263 with 9,467 being subsidized (66%). Overall post open enrollment special enrollments increased by 47% compared to the same prior year period. This compares to an average increase of 27% reported by CMS.	
Staff to add the organization's actions to the COVID-19 pandemic to the success measures in the annual report.	Marketing/AN	06/08/20	Updated success measures for new enrollments and subsidized enrollment to reflect COVID-19 - attached
