Review Implementation Decisions and Vote on Implementation Approach

The Committee briefly reviewed the recommended approach for eligibility assessment and noticing. The exchange sends notice to everyone who checks the box with clear call to action. The notice will not contain details of what uninsured household member(s) may qualify for based on an assessment. The notice will instruct uninsured household member(s) to come to the exchange for more information and next steps.

The conversation on implementation decisions and a vote on implementation approach will take place at the upcoming Easy Enrollment Advisory Committee Meeting on January 20, 2021.
