

# American Rescue Plan (ARP) Overview

	Phase 1 – April 15	Phase 2 – May 15
What's changing?	<ul style="list-style-type: none"> <li>Updated eligibility in QCPF and NES                             <ul style="list-style-type: none"> <li>Remove 400% FPL cap</li> <li>APTC calculator uses new expected contribution %s</li> <li>Maximum APTC and CSR for households with Unemployment income</li> </ul> </li> <li>Expanded special enrollment period provides option for more customers to enroll (previously, uninsured customers only)</li> </ul>	<ul style="list-style-type: none"> <li>An option for a shorter application path, known as “Quick Submit”</li> <li>Expanded special enrollment period – logic to automatically allow all customers to shop and receive a 1<sup>st</sup> of the month effective date following plan submission</li> </ul>
How to shop	Customers <u>must select</u> the Uninsured/Expanded special enrollment period	Customers are only required to submit an application in order to shop.
Target audience	Uninsured and off-exchange; however, anyone may shop using the expanded SEP.	Existing customers are encouraged to get additional financial benefits under ARP. New customers are encouraged to shop and enroll.

# Quick Submit: A shorter application for redeterminations

## What is it?

- A tool to guide customers to their best option for applying
- An option for a shorter application submission

## Who can take the shorter path?

- Customers who have previously provided a complete financial information
- Customers who do NOT need to report any changes to their information
- Customers who are NOT attesting to receiving unemployment income benefit in 2021
