

Board Advisory Group

11/14/22

Key Takeaways from the Board Advisory Group

- **Family Glitch Fix Implementation**
 - Understand need for interim fix, enthusiastic about permanent solution and opportunities for creative outreach.
 - Chambers, business associations, and nonprofit associations good outreach targets.
- **Tax Time Enrollment Implementation**
 - As of June 2022, Tax Time Enrollment box checks resulted in 1,188 enrollments for C4HCO.
 - Chaffee County assister had some TTE enrollments- the customer was grateful for the SEP to get covered!
 - Heard about the check box from their tax accountant, reiterating the need to continue educating tax professionals.
 - C4HCO continuing to build on existing relationship with Tax Help Colorado and VITA sites
- **End of Public Health Emergency**
 - Interest in SB-81 funds designated for the end of the PHE previously discussed.
 - Advocates concerned about children and young adults losing coverage.
 - Further emphasized importance of ongoing C4HCO and HCPF partnership.
