

# APPOINTMENT OF AUDIT FIRM FOR FISCAL YEAR 2024

- Background: C4HCO operates as a quasi-governmental entity. As such, we are a non-profit that follows Governmental Accounting Standards. Plante Moran has expertise in both these areas as it ranks third in the greatest number of non-profit audits (2021) and it recently had a partner appointed to the Governmental Accounting Standards Advisory Council. Our audit partner, Lisa Meacham, will be continuity on our audit team and has indicated their fees will not increase by more than 5% for the financial audit for fiscal year 2024.
- Recommendation: The staff recommends that Plante Moran be approved as the audit firm for fiscal year 2024.
