

Financial Application Checklist

When you apply for financial assistance through Connect for Health Colorado, you'll need to provide some information about you and your household, including income, any insurance you currently have, and some additional items.

Use the checklist below to help you gather what you need to apply. Open enrollment starts October 1, 2013 for coverage starting as early as January 1, 2014. Open enrollment ends March 31, 2014.

- Name, address, contact information
- Social Security numbers of each member of your household to be covered by your plan (or document numbers for lawfully present individuals)
- Birth dates
- Employer information for each member of your household
- Income information for each member of your household (for example, wage and tax statements such as pay stubs or W2 forms)
- Information about any other income you receive
- Information and policy numbers for health insurance plans currently covering members of your household
- A completed Employer Coverage Tool for each job that offers coverage to you or someone in your household, even if you/they are not enrolled in it
- Names of preferred health care providers
- If anyone in the home has a disability, asset and expense information for the household (only necessary for State programs)
