COMPANY AT A GLANCE

- Leading the charge to redefine the dental insurance industry
- Simple, affordable, quality insurance that focuses on preventive care
- Straightforward and secure online services help enrollees take charge of their dental health

UNIQUE OFFERINGS AND PROGRAMS

Dentegra is a new take on dental insurance: The price is right, the quality is high, the process is clear and simple. Created specifically to meet the needs of a consumer-oriented marketplace, Dentegra Insurance Company is committed to serving diverse populations through technology, innovation and collaboration. By providing expertise and leadership in dental benefits for the exchange marketplace, we close the dental insurance gap with products and services that help enrollees maintain a healthy, beautiful smile. Our technology delivers an easy solution for individuals and groups to purchase and manage their dental plans, and also allows us to seamlessly integrate with exchanges.

Dentegra Dental PPO plans are all about:

- Simplicity – Dental benefits that are easy to understand
- Rate Stability – Plans that help you focus on preventive care, without breaking your piggy bank
- Quality – Great dental care from our contracted dentist network; we’re adding new dentists nationwide all the time.
- Efficiency – Our systems allow you to manage your plan online, whenever it’s convenient for you
- Convenience – Dentegra gives you an excellent dentist network that’s a balanced mix of individual and group practices
