

Easy Enrollment Advisory Committee Recruitment Process

HB20-1236, passed during the 2020 legislative session, established the Colorado Affordable Health Care Coverage Easy Enrollment Program. The program allows Coloradans to ask on their state income tax returns for Connect for Health Colorado (Exchange) to assess whether uninsured household members are potentially eligible for free or subsidized health care coverage. HB20-1236 also directed the Exchange Board of Directors to establish an advisory committee to help guide implementation and administration of the Easy Enrollment Program. The Exchange is currently seeking applicants to serve on the committee.
