

Plan Year 2024 Issuer User Fee Recommendation

ConnectforHealthCO.com

Plan Year 2023 Issuer User Fee Recommendation

- Maintain current structure of 3.5% of premiums on plans issued through the exchange for Plan Year 2024
- Other comparable SBE's base fees on broader range of issuer plans (plans sold on and off the SBE's exchange and group plans) thereby allowing for a lower fee % and in some cases receive additional state funding
- See next slide for more information on comparable SBE's

SBM Fee Summary (to be updated by NASHP)

| State | Fee Structure | Other Funding |
|-------|---|---|
| CA | 3.25% assessment on marketplace QHP's | |
| со | 3.5% assessment on marketplace plans. | Through a cost-allocation formula with HCPF, C4HCO also receives funding for activities that benefit public program enrollees, donations from issuers supported by State premium tax credit |
| СТ | 1.65% assessment on plans inside and outside of the marketplace | Board of Directors has authorized an initiative to develop and then sell business processing outsourcing and consulting on point solutions to other public and private marketplaces. |
| MD | 2% assessment on plans inside and outside of the marketplace – MD applied a pre-existing assessment on insurers in the state to marketplace operations | |
| MA | 2.5-3% assessment based on plans offered through the marketplace as follows:ConnectorCare plans: 3%, on-group and small group medical plans: 2.5%, Non-group and small group dental plans: 3% | The MA marketplace also uses a dedicated state trust fund to support its operations and supplement its carrier assessment. |
| MN | 3.5% assessment on plans offered through the marketplace | Through a cost-allocation formula with the Minnesota Department of Human Services, MNsure also receives funding for activities that benefit public program enrollees |
| NV | 3.05% assessment on marketplace QHP's | |
| WA | 2% plus \$3.36 PMPM assessment on plans offered through the marketplace – WA has a broad-based assessment on insurers selling both inside and outside of the marketplaces. WA's marketplace retains the 2% assessment only from the plans sold through the marketplaces | |
