To: Connect for Health Colorado Board of Directors

Is Connect for Health Colorado setting a "New Normal" to do insurance business in the state?

Does one green checkmark (as the enclosed copy from Connect for Health account application shows) supposed to replace Power of Attorney disclosures and forms? Is this how Connect for Health Colorado interprets Colorado Uniform Power of Attorney Act (as defined in Article 14, Chapter 15 of Colorado Revised Statutes) ?

Account Holder Preferences

- I am the primary user/account holder
- I am a registered Customer Service Center
- Representative or Authorized Representative and have the authority to act on behalf on this individual

Everyone who has ever tried to open an account on Connect for Health Colorado went through this "Account Holder Preferences" checkmark. But can anyone provide clarification on "Authorized Representative" term for purposes of insurance enrollments?

Thank you,

Daniela Gosselova,
