**Subject:** Public Comment for 5/22/2023 C4HCO Committees Meetings: C4HCO Marketing Efforts - Back to the Future ???

To all C4HCO Committees:

Snapshot of Connect for Health Colorado "welcoming page" taken on May 21, 2023:

Should all Colorado turn the clocks few months back so potential new shoppers on C4HCO can still file their taxes by the April 18, 2023 deadline and take advantage of this dream-like "Free Health Insurance" offer?

Will budgeted millions of dollars be sufficient to "teach" Coloradans how to estimate their modified gross income (MAGI) by using deductions that no longer exist to get more favorable APTC subsidies?

Or, does C4HCO staff and board believe that legislation like Consolidated Appropriation Act of 2021 (Re H.R. 133) that eliminated School tuition and fees "above the line" deduction, is not wise to follow?
